Director's Meeting

Monday, 16 July 1951

	The DCI dictated a cable in reply to General Ridgway's cable. The whole trouble probably arises from JCS papers sent to Ridgway which we have not seen. DCI states we will continue to operate as at present. Mr. Jackson feels that it is not Ridgway's fault but that of the JCS. The cable will therefore be sent to Ridgway, "More in sorrow than in anger". The DCI instructed Mr to add anything to the cable which he considered necessary.	25X1
- · · · · · · · · · · · · · · · · · · ·	The DCI has a meeting with Admiral Stevens at three o'clock today. He will try to get General Bolling to attend and ask them both what is really going on in relation to the above paragraph.	
25X1	Mr. Jackson asked whether the DCI considered that the comments in the Daily Bulletin were too much on the estimating side. The DCI stated that someone in ONE should monitor OCI production. (believes this should be believes this should be bulletin to the effect that comments are on a spot or current basis and do not purport to be an estimate.	25X1
25X1 25X1	Mr reported that orders had been out for a week to get the two Americans away from and that a plane would be sent in if necessary. The situation is not good.	25X1
		25X1
25X1 25X1	Mr. asked if we had heard whether General had returned to The DCI stated that he expected Mr. to inform him of this. He further stated that he and Mr. Dulles had agreed that a SO man should be on the spot upon return, and that we could then discuss the matter of dealing with on intelligence matters.	25X1 25X1 25X1 25X1
25X1 25X1 25X1	on Mr. again brought up the Department of Interior leak suggests an oral conversation between DCI and Secretary of Interior. The DCI may bring it up in the NSC but believes
